Smooove move

Actor and stand-up comedian **Jerry Brooks** (right), who goes by the stage name J.B. Smooove and is perhaps best known for playing Leon on "Curb Your Enthusiasm," has closed on an 843-square-foot, one-bedroom condo at One Brooklyn Bridge Park for \$524,398. The loft-style unit includes a home office.

The new development at 360 Furman St. is the only residential building in the 85-acre Brooklyn Bridge Park. Brokerage firm MNS, which handles the building's sales, declined to comment.
